De Motte High School

De Motte, Indiana

The first graduating class of De Motte High School consisted of one student and has grown continuously since. The 1963 senior class of thirty-three students will mark the end of smaller groups. The 1964 class will graduate fifty-eight students while the 1965 class should include seventy graduates.

The original 1914 structure has been remodeled four times, namely: 1919, 1933, 1935, and 1957. Enrollment has increased the last few years making another addition necessary. The State Department is requiring new home economics and industrial arts departments as these are very obsolete. In 1965 industrial education must be offered in six areas and the present facilities only accommodate two teaching areas. A six room addition will be needed to meet the increased elementary enrollment.

METHOD USED IN SELECTING STUDENTS

The honor students are those who have the highest-grade-point standing in the senior class. The points are figured on all grades each student earns beginning with the freshman year and ending with the first semester of the senior year. From this group the valedictorian and salutatorian honors will be figured at the end of the senior year.

Some of the highlights of this year's student council activities were the dedication for the athletic field and crowning of the football queen at the homecoming game, sponsoring Dress-Up Day, making and initiating plans for the annual Christmas party, selection of assembly programs for school convocations, collection and presentation of gifts for the mentally ill, and visitation of hospitalized children. All of these projects contributed to the worth-while purposes of the council.

K. V. A. A. All Conference Football Selections 1962

Each year football coaches of the conference choose an All Conference Football Team from the boys playing during the season. Twenty-four boys, believed to be the most outstanding in their respective positions, were chosen for the 1962 team. DeMotte had the following five boys on this team:

Mike Hart	Back	Junior	First team
Bill Orsburn	End	Junior	Second team
Denny Eenhuijstra	Guard	Senior	Second team
Ray Eck	Center	Senior	Honorable Mention
Stephan Mann	Guard	Junior	Honorable Mention

Hey Fellas! It says cake raffle, not wrestle!

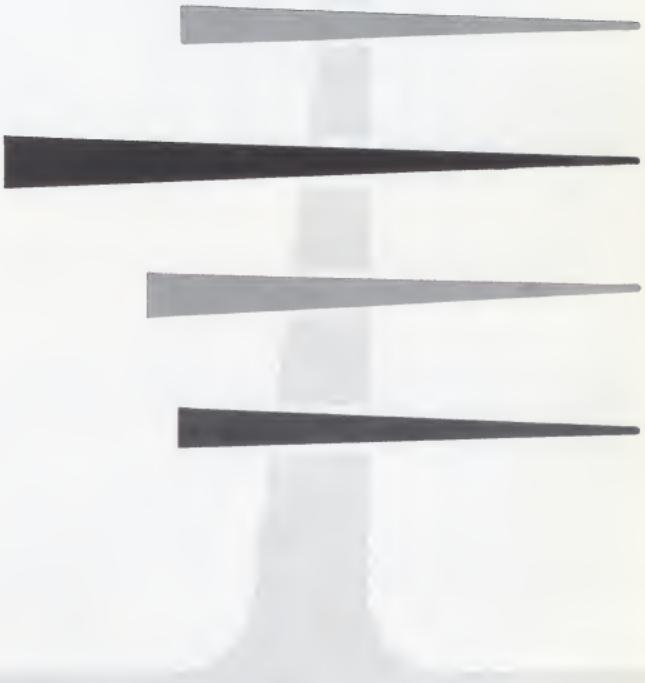

Bosma, the ball's over here!

That's right, Miss Shields is going out for basketball.

"Now remember, vote for the Kennedy of your choice."

Last Will and Testament

We, Hank Bosma and Andy Walstra, will the only pack of cigarettes we ever had to Steve Mann. Maybe you can smoke them.

I, Betty Bovenkerk, will my ability to take shorthand to Larry Bol and Calvin De Young.

I, Bill Brister, will my hitch-hiking ability to Valerie Lloyd. You can come to me for a while.

I, Don Bunning, will my government cheat-sheets to Connie Nordstrom and Kathy Misch.

We, Phyllis Bykerk and Margie Kikkert, will our parking spots in the front of school at noon for our boyfriends to Mary Tackas, Beverly Myers, Audrey Evers, and Betty Hoffman. Don't forget the two rules, girls: (1) Don't step off the sidewalk; and (2) Don't stick your head in the window.

I, Jerry Drenner, will my good looks to Joe Van Schepen.

I, Ray Eck, will my ability to have a good time at the banquet to Albert Hamstra.

I, Bill Edwards, will all my bad luck to Mike Hart.

I, Denny Eenhuisstra, will my football position to Joe DeKock. Keep up the good work; you'll make it one of these years!

I, Beverly Evers, will my nickname, "Guish", to Frances Samuels and Kathy Boezeman.

I, David Fagenbaum, will my quiet ways to Annette Bosma and Elaine Grevenstuk.

I, Glen Goetz, will my safe driving ability to Mike Peterson and Harvey Kammenga.

I, Patsy Griwac, will my small features to Jim Tanis and Don Kammenga.

I, Tresa Groot, will to Judy Eylander and Mary Lou Sipkema my ability to stay out late.

Don't forget to bring in the milk!

I, Annette Heerema, will to Jackie DeVisser and Norma Hamstra my position as annual editor and my pleasant attitude toward my teachers.

I, Jim Holmes, will my white sneakers to Nick Tillger and Dave Terborg.

I, Betty Kaper, will to Elaine Terpstra my position as band director. Walk lightly and carry a big stick!

I, Harold Knynsberg, will my ability to study to Dorothy Sterk, Vivian Prater, and Donna Mason.

We, Charlie Nannenga and David Odle, will our rusty church keys to Bill Orsburn and Marvin Boezeman.

I, Joel Oezer, will my good behavior in Business Law class to John Systma and Richard Boring.

I, Steve Post, will my ability to go through school in eleven years to Connie Post.

I, Tom Postma, will one half of my tires to Wally Morris. That's all that's left.

I, Pat Selby, will my short cheerleading skirt to Darryl Kingma, Don Kachlic and Charlie Nannenga.
Don't fight over it!

We, Audrey Swanson and Dave Turner, will our ability to stay together through high school to Tom Whitmore and Jim Wiers.

I, Pam Tysen, will my ability to be true-blue to Ellen Nannenga and Karen DeVries.

I, Diane Walstra, will my freckles to Dave Shoonveld.

I, Elaine Walstra, will my seat on the bus to Cheryl Sampson.

I, Glenn Walstra, will my ability to wander in and out of classes to Ross Jabaay and Jim Schoon.

I, Vicki Willin, will my curly hair to Sandra Sipkema.

We, the Senior Class of 1963, will the following:

Mr. Brown, an Advanced Algebra Class which won't wave at Senior girls across the hall in English.

Mrs. Congram, a new flower pot. Keep those geraniums growing!

Mr. Stalbaum, a quiet class.

Mr. McFarland, a class that can give speeches.

Miss Shields, a new book of sayings.

Mr. Lawson, a new '63 Thunderbird.

Mr. Hoover, a basketball team with more than one senior.

Mr. Mann, a senior class with more than two seniors in band and chorus.

Mr. Sullivan, a "B" team for next year.

Mr. Martin, a clock for his room so he won't have to go to the library to see the time.

Miss Shipman, a Spanish class that speaks Spanish.

Mrs. Fritch, a mustache and a beard for her "Swing Along With Fritch" show.

Frances VanderMolen, a Senior class that has money she can take care of.

Mrs. Traster, an annual staff that can get their assignments in on time.

Mr. Robinson, a new shop. Hal Hal

Mrs. Hanley, seniors that don't talk in study hall.

Janitors, students who don't throw paper on the floor or put gum under the seats.

Who's Who From Demotte High School

At our tenth annual gathering, the class of '63 decided to compile a summary of what the various members of the class had been doing since graduating together ten years ago.

We designated Betty Kaper to interview the various members. She seemed most suited for the job as she is now the editor in chief of the New York Times.

Pamela Tysen, our most famous member, was the second female President of the United States (Caroline Kennedy was first.)

Diane Walstra is our United States ambassador to Russia, and David Odle is one of the many secretaries our Russian ambassador has.

Margorie Kikkert proudly announced that she is the head coach of the Green Bay Packers, and Ray Eck is her geeble assistant.

Hank Bosma is doing very well as a private investigator hired by Indiana State Board of Education to compile research on the prevention of cheating in high schools.

Tom Postma, who was always so ambitious in high school, decided to live an easy life. He is now the West Coast's official pebble counter.

On the other side of the United States, we have Phyllis Bykerk who has made great progress in being a New York gutter scrubber.

Also in New York is Patricia Selby who is the chief floor sweeper in the Statue of Liberty.

Charles Nennenga, who is one of the smarter members of our class has found the answer but not the problem, recently was named Einstein's successor.

We have a very daring member of our class, Beverly Evers, who is the official face washer at Mount Rushmore.

The champion women's wrestler turned out to be Patsy Griwae, who is going to be in the Olympics this year. We have great hopes for her.

Bill Edwards has gone to be a professor of Math at Humpty Dumpty school and teaches bad eggs. Joel Oezer is also a professor of Business Law.

In Hollywood we see Glen Goetz as the successor of Vince Edwards in Ben Casey.

Glen Walstra just opened his new "Trust Us if You Dare" bank.

Andy Walstra is one of the richest members of our class. He trains "Itty-Bitty Flea Circuses."

Bill Brister isn't doing so badly either. He follows Andy selling flea spray!

Back to the entertainment world, and whom do we see hiding behind the ABC peacock as summer replacement for Jack Paar? Talkative Betty Bovenkerk, of Course!

Vicki Willin has been assigned as assistant warden at San Quentin where two of our class members spent sometime.

Tresa Groet has been elected leader of the Anti-Educational party.

Elaine Walstra is going into her eighth year as a department store Santa Claus. Guess who one of her little brownies are? Right, Dennis Einshuisstra.

Jerry Drenner is Superintendant of nursery schools and is having trouble with one of his pupils. He keeps beating Jerry at checkers.

Dave Turner replaced Dick Beondi on W.L.S. His organizer is Audrey Swanson. That station has really gone to pot!

Don Bunning and Dave Fagenbaum are guards at the United Nations. They won't let Khrushchev pound on the desk anymore.

Annette Heerema has made a fortune on the idea of giving S & H green stamps with every smile.

Harold Knynsburg finds life rough as a door to door salesman selling old ball point pens.

We have covered the entertainment world, the political world, and the ordinary world. Now we have only the underworld where we find Jim Holmes and Steve Post both with records. Who would guess?

This is what we see in the crystal ball. Can't it be?

Autographs

Goals Of Various Departments

The following three pages contain general objectives of the various subjects offered in the De Motte High School during the year 1962-1963.

ART

1. To develop a sensitivity to and appreciation of art.
2. To provide opportunities for creative expression.
3. To teach the fundamentals and techniques which will provide the means of achieving art expression.
4. To develop satisfying avocational interest.
5. To seek out the talented and to provide counseling in the choosing of a vocation.

BUSINESS EDUCATION

1. To provide an understanding of our business world.
2. To provide an understanding of economic concepts that are important to everyone as a citizen and consumer.
3. To prepare students for more effective study in the field of business beyond the high school level.
4. To enable students to acquire certain knowledges and skills in business subjects for personal use.
5. To develop personality for effective human relations in society and in business.

ENGLISH

1. To keep students constantly aware of the fact that good English, both spoken and written, will aid them throughout life.
2. To foster and increase an interest in, and understanding of, good reading material, including good literature, magazines, and newspapers.
3. To improve reading ability.
4. To improve listening ability.
5. In general to get each student to perform each of the four phases of languages actively--reading, writing, listening, and speaking--at the highest level possible for him.
6. To help students better understand themselves and others so they will be more effective members of our democracy.

GOVERNMENT

1. The seniors of today's government class will be voters in the next presidential election, therefore, the main aim of this class is to prepare the student to do an effective job of selecting candidates for different offices when he visits the polls.
2. A knowledge of the historical development of government not only in the United States, but throughout the world.
3. An understanding of our social and physical environment to include the reciprocal relationships between the individual and his society.
4. Also, an understanding of how man provides for his basic needs along with the individual's drive to fulfill these needs from the backbone of our free society.

GUIDANCE

The Guidance department helps the student do the following:

- A. Become properly oriented to himself and to life.
- B. To become well adjusted.
- C. Secure knowledge, skills, and understanding needed to set good objectives and plan wisely.
- D. To solve his problems.

HEALTH

- 1. Promote knowledge of personal care and cleanliness.
- 2. To have some knowledge of first aid.
- 3. Show importance of carry-over physical activities in later life.
- 4. Be familiar with some common medical terms and diseases.
- 5. To consider medicine as a profession.

HOME ECONOMICS

- 1. Help students achieve a more satisfying personal, home, and community life.
- 2. Concern with the social, economic, esthetic, health, managerial, and ethical aspects of food, clothing, human relationships, child development, and housing.
- 3. Help the child identify and solve personal, home and community problems.
- 4. Help the child do better the things that they do day by day.
- 5. Help prepare a strong foundation for homemaking, sound parenthood and good citizenship.

INDUSTRIAL ARTS

- 1. To provide experiences which will benefit students in the purchasing of goods and services.
- 2. To provide an atmosphere in which students can learn to cooperate and work with others in order to attain both common and individual goals.
- 3. To acquaint students with the various processes and materials of the industrial world.
- 4. To instill in students a respect for authority and property.
- 5. To provide experiences useful in home maintenance.
- 6. To instill in students the need for careful and detailed planning.
- 7. To provide a background to aid non-academic students in choosing a profession.
- 8. To develop dexterity in the manipulative skills.
- 9. To provide a background for constructive use of leisure time.

MATH

- 1. Competence in the basic skills and understandings for dealing with number and form.
- 2. Habits of effective thinking--a broad term involving analytical, critical, and postulational thinking, as well as reasoning by analogies and the development of intellectual curiosity.
- 3. Communication of thought through symbolic expression and graphs.
- 4. Development of the ability to make relevant judgments through the discrimination of values.
- 5. Development of the ability to distinguish between relevant and irrelevant data.

6. Development of intellectual independence.
7. Development of aesthetic appreciation of expression.
8. Development of cultural advancement through a realization of the significance of mathematics in its own right and in its relation to the total physical and social structure.

MUSIC

Grades 1 through 6

1. Singing by rote and note.
2. Appreciation of music through listening.
3. Use of Pre-band instruments.
4. Instruction on beginning band instruments.

Grades 7 through 8

1. Further study in singing.
2. Music appreciation by recordings.
3. Study of famous musicians and composers.

High School

1. Furnish an outlet for the expression of musical talent through the instrumental and vocal program.

SCIENCE

General Science

1. Offers the student a pleasant but firm experience in exploring the different fields of science.
2. Try to convince students that science is necessary for a full life and science only secondary as a vocation in most cases.

Biology

1. Stimulate interest in living things through field trips and laboratory exercises.
2. Demonstrate that all sciences are interrelated and one must have some knowledge of all in order to understand science.
3. Show the evolutionary aspects of plants and animals and how they might relate to the well being of man.
4. Demonstrate the many fields of biology.

Chemistry

1. Provide equipment and other facilities to help students better understanding in science.
2. Encourage experimentation for the sake of learning.

SOCIAL STUDIES

1. Develop a sense of patriotism.
2. Be aware of the world around us; not only the past, but also current events.
3. Be familiar with leaders of the world.
4. To understand the interdependence of people and nations.
5. Understand the reciprocal relationship between the individual and society.
6. Understand the major developments in the growth of civilization.

PHYSICAL EDUCATION

1. Contribute primarily to the individual's highest physiological growth and development.
2. Contribute to such physiological development as would result from participation in appropriate, vigorous, total bodily activities, according to social and hygienic standards.

School Field

On Friday, October 19, 1962, at 9:00 p.m. the DeMotte school athletic field was dedicated. Needless to say the field has been needed for several years. In fact the need was so great that several schools were considering dropping us from their schedule.

The actual dedication of the field was under the direction of Phyllis Bykerk, who is president of the student council. Miss Bykerk explained in detail the football field plan and future plans for the over-all development of our outdoor facilities. Miss Bykerk has the honor of disclosing the name of the field which is "The Keener Bowl".

The field itself was not something that just happened. Much time and thought has gone into the planning of the field, which included facilities for other activities than football. The over-all plan includes provisions for football, track, baseball, softball, and hard surface court area, which would have facilities for tennis, badminton, volleyball and basketball.

Serving on the committee for planning of the field layout was Ronald Mosier, Kenneth Zeck, Leonard Zwart, Jim Fritch, Neal Erwin, and Carl Punter.

FOOD FOR THOUGHT

The greatest sin	Fear
The best day	Today
The biggest fool	The boy who will not go to school
The best town	Where you succeed
The most agreeable companion	One who would not have you any different than what you are
The great bore	One who will not come to the point
A still greater bore	One who keeps on talking after he has made his point
The greatest deceiver	One who deceives himself
The greatest invention of the devil	War
The greatest secret of production	Saving waste
The best work	What you like
The best play	Work
The greatest comfort	The knowledge that you have done your work well
The greatest mistake	Giving up
The most expensive indulgence	Hate
The cheapest, stupidest and easiest thing	Finding fault
The greatest trouble maker	One who talks too much
The greatest stumbling block	Egotism
The most ridiculous asset	Pride
The worst bankrupt	The soul that has lost its enthusiasm
The cleverest man	One who always does what he thinks is right
The most dangerous person	The liar
The most disagreeable person	The complainer
The best teacher	One who makes you want to learn
The meanest feeling of which any human being is capable	Feeling bad at another's success
The greatest need	Common sense
The greatest puzzle	Life
The greatest mystery	Death
The greatest thought	God
The greatest thing, bar none, in all the world	Love
